ABOUT ME

A passionate and results-driven full-stack developer with 2 years of experience in building web and mobile applications. Proficient in MERN stack, WAMP stack, Flutter, SQL, Python, Java, RESTful APIs, and front-end technologies like HTML, CSS, Bootstrap, I thrive on delivering high-quality, scalable solutions. With a never-give-up attitude, I am committed to excellence, ensuring 100% effort in every project to drive success. My proactive work ethic, problem-solving mindset, and hunger for continuous learning enable me to adapt quickly and tackle challenges effectively. Dedicated to writing clean, efficient code and staying updated with the latest technologies, I am eager to contribute my expertise and innovation to a dynamic team.
