## ABOUT ME

Full Stack Developer with 2 years of experience in building responsive web and mobile applications using MERN, WAMP, and Flutter. Skilled in Python, Java, SQL, RESTful APIs, and front-end technologies like HTML, CSS, and Bootstrap. Known for clean code, strong problem-solving, and a never-give-up attitude. Committed to continuous learning, I bring adaptability, innovation, and 100% effort to every project I take on. Check out my portfolio here
